

NEUROCARE

brain . mind . body integrative health

NEUROCARE is well-recognised for offering regional **Neurological** and **Neuropsychiatric** services.

Existing services include specialist **Neurologist** consultation, **hospital liaison** for all **physical illness**-related **Psychiatry**, true comprehensive treatment of **attention deficit** (ADD), accurate **memory disorder** diagnosis and management, and comprehensive **dementia home support**.

WA **066-4701447**, Ph **021-8879093** or Email neurocare@neurocare.co.za

Additionally our **NEUROLAB** division offers specialist level **Neurophysiological** investigation reported by **Neurologists**. Our services include quality routine **EEG** testing, **24-hour EEG** available on Medical Aid, nerve conduction studies (**NCS**) and comprehensive muscle examination (**EMG**).

WA **064-6816449**, Ph **021-8879015** or Email neurolab@neurocare.co.za

We are excited to announce the launch of **PSYCHWEB**, our very own **General Psychiatric** service which offers **out-patient consultation** and comprehensive **inpatient admission** to **Thrive at Busamed Hospital**. We have allocated a **local Team** of NEUROCARE Clinicians **available daily** serving this Unit:

1. **Dr Jan Swanepoel** (Psychiatrist)
2. **Dr Frederick Raw** (Senior Psychiatric Registrar)
3. **Dr Bianca Bailey** (Medical Officer)
4. **Juane Pretorius** (Social Worker)
5. **Lize Bronn** (Occupational Therapist)

Referral of **General Psychiatry** Patients are welcome to:

WA **082-6680952**, Ph **021-8879093** or Email psychiatry@neurocare.co.za

We urge you to visit our **website** for any further detail you may require: www.neurocare.co.za .

Thank you for your support!
